RE: Town's right-of-first-refusal, 1266 Main Street, Map 6, Lot 8

The Conservation Commission has concluded that the above-referenced parcel could be of some limited value to the Town in terms of conservation and passive recreation.

However, given the asking price and the Town's limited resources, the Commission does not believe the acquisition of this property should be a priority and therefore, recommends that the Town **not** exercise its right-of-first-refusal to purchase the property.
